	Excellent	Good	Satisfactory	Not Satisfactory
The academic flexibility embedded in the Curriculum provides opportunities to students to pursue their interest by choosing from a vast number of pathways / electives from own area/specialization as well as from other areas.	✓			
Courses in the curriculum promote Entrepreneurship and students are encouraged and supported to initiate start-ups.	✓			
The curriculum has been designed to make students industry ready by imparting analytical and reasoning, language and soft skills in addition to technical competencies, as desired by the industry.	✓			

Recommendations for Course improvements: (please specify topics that should be added or removed from the course, changes in teaching schemes, practical's etc.)

Satisfied.
